

Direct: (614) 456-3072
Toll-Free: 1-877-457-3981

1) Audio Requirements

- One wireless headset microphone (Country E6 – beige)
 - Note: Speaker travels with Countryman Mic with Shure, Seinheiser and Audio Technica body pack Connectors
- One (1) stereo (RCA) input for use with PC audio. Can be placed at Front of House audio board if within 100 feet. If not, request attached to snake off stage

2) Video and/or Image Magnification (Imag):

- If Image Magnification is being used, please specify how many cameras will be in use and where they will be placed. Speaker will require 15 minutes of rehearsal time with camera operators during sound check for proper framing of shots
- In banquet setting, a video projector and screen for use with laptop

3) Stage or Riser:

- Speaker will request access to the audience during the keynote
- Lectern/Podium is not required by Speaker. If one is used for other speakers, it is requested to not be positioned at stage center or be moveable to allow for audience participation to take place on center stage for non-obstructed viewing

4) Other:

- A. Banquet style setup: A standard catering tray jack on stage with a covering linen (black linen preferred or to match table linens if desired). Stage setup: A small side table to hold a briefcase
- B. One stool or high top chair on stage center
- C. Food should NOT be served or cleared during performance
- D. Four (4) armless and non-rolling chairs to be used on stage if “team member levitation” is being presented
- E. A table within close vicinity to an electric outlet should be provided at the back of the room by main exit doors for product display & discounted product sales
