SPEAKER INTRODUCTION

What happens when you combine a former corporate executive, a professional speaker, a comedy magician and a top selling author all together? You get one person, and one person only – THAT person is **JON PETZ**.

Whether consulting organizations on effective use of meeting time, performing as the opening entertainment for the American Idol Tour and Rascal Flatts, or acting as the opening or closing keynote speaker - He realized one thing above all else...*(pause)* ...NO ONE REMEMBERS BORING!

Jon's book - "**Boring Meetings Suck**" - *(Hold up book please)*, has been featured by **The Wall Street Journal, Success Magazine, ABC News, CBS News** and **CNBC** along with many other newspapers and trade publications.

- * Jon is the founder of **Miracles & Magic** – an internationally recognized show that raises funds and provides lasting memories to children with life threatening illnesses and an honoree of the top 40 business professionals under the age of 40.

As the owner of **BORE No More**, Jon loves to share how you can create impact in your life instead of merely meeting an expectation—after all, it's SHOWTIME...and life isn't a dress rehearsal.

Please welcome: Speaker, author and entertainer – Jon Petz!
